

UBUNTU

LEADERSHIP SUMMIT

Theme: Leaders addressing community challenges together.

The Genesis Youth Foundation, in collaboration with the Iowa Department of Workforce, Human and Health Services, Drake University, Iowa Coalition Against Sexual Assault, Hope+Elim, Kyles AME Zion Church, Change Course, and OPX is hosting the 2023 Ubuntu Leadership Summit from June 19th through 24th. This free event is geared towards information sharing and connecting community members to resources available through state agencies and other community organizations within the Greater Des Moines area. Breakfast and lunch will be provided.

There will be roundtable conversations regarding challenges facing adults/parents and all youth, including immigrant and refugee youth, black and brown youth, and at-risk youth living within Central Iowa. All community members and leaders are encouraged to attend this amazing event. In addition, it is a chance to share knowledge and inspire youths and adults through training workshops, storytelling, small group conversations, and more.
